Hi Ginny: Could you please pass this onto the FDAC Board members? It is just a petition I signed awhile back but this type of social media can really get a good cause some "traction". So maybe just put this in the "Media ideas" folder for the next FDAC meeting. Hopefully it will be in Paul's new office.

I also found out that there is a new FDAC Board Member. Her Name is Janet Webb I found out about her from reading the SCC Board Agenda so could you please include her in this email also?

This picture is from the unpancake breakfast. Donita is one of our "Ladies Fire Auxiliary" members. 😊

Thank you,

RocketGirl

I think I have some fun ideas on how to get some funding for "The Old Leaky Replacement" .That is that old Loma Preita water tender. How much more do we need to raise? I think it was \$50,000? I read that in a newspaper.
