

Good afternoon,

I wanted to reach out and let you know that we are reviewing the proposed firesafe regulations from the State Board of Forestry and Fire Protection. Unfortunately, I did not see the workshop that was held on this topic by Board of Forestry and Fire Protection on February 24th until after the event took place. I have now signed up to receive updates from the board at this site <https://bof.us20.list-manage.com/subscribe?u=172af298a6a70bf21ef09866c&id=f9d930c4f0> and plan on listening in on the meeting they are holding tomorrow morning (see attached agenda).

We are looking into what we can do to help with the issue and are also concerned with the impacts these regulations could place on our communities. We agree with the letter that was sent by CSAC, RCRC and Urban Counties of California. https://www.rcrcnet.org/sites/default/files/useruploads/Documents/Barbed_Wire/February_19_2021/BOF%20Feb%208%20Comments-%20CoverLetter%20and%20Comments.pdf

Thank you,
