Subject: Information About How to Reduce Fire Risk

Warning: this message is from an external user and should be treated with caution.

Dear Melissa and Doug,
Please include the information below in the January agenda packet for the Santa Cruz County Fire Dept. Advisory Commission. I feel the information provided by the Marin FireSafe Council and the free webinars that are open to the public would be of great interest to many.

Thank you very much.
Sincerely,
Becky Steinbruner

 **WEBINAR**

**INTRO TO
FIRE ADAPTED COMMUNITIES
& ACTIVE STRATEGIES TO
HARDEN YOUR HOME**

Tuesday, January 26 @ 6pm

This month the *Living with Fire* webinar welcomes Novato Fire Chief Bill Tyler who will do an introduction of "Fire Adapted Communities". Retired Chief Scientist Steve Quarles and Battalion Chief Todd Lando will focus on active strategies to harden your home with a focus on last-minute actions to protect your home from wildfire.

When: January 26, 2021, 06:00 PM Pacific Time (US and Canada)

Topic: Introduction to Fire Adapted Communities and Active Strategies to harden your home.
