Hi, Doug,

I apologize. That link is a hyperlink from the main agenda item.

Here is the link to the agenda. You can click on the hyperlinks for both Items 6b and 6c, as the Commission approved both recommendations that regard CSA 48 and CSA 4 business.

During this morning's meeting, I requested LAFCO keep County Fire Dept. Advisory Commission apprised regarding the issue.

I hope it will be on the next FDAC agenda as well.
