

FDAC UPDATE

LAFCO

Issued an RFP

The Commission will consider soliciting professional services to produce a special study in the potential reorganization of fire protection services countywide. – LAFCO

- What is the financial impact for fire districts when annexing areas within their spheres?
- What is the financial impact for CSA 48 when detaching areas following those annexations within the fire districts' spheres?

FDAC UPDATE

LAFCO

Service Delivery to Align with Sphere of Influence.
