

## Volunteer Firefighter Application Volunteer Emergency Medical Responder (EMR) Application

---

Dear Applicant,

Thank you for your interest in becoming a volunteer firefighter or EMR. This packet includes the application forms and other information relating to volunteering with us in the fire service.

Volunteering is a commitment to help people at all hours of the day or night, seven days a week, in any kind of weather, and sometimes under very stressful and emotional conditions. It is also a rewarding activity, allowing you to develop skills to deal with a variety of situations that include structure and wildland fires, medical emergencies, vehicle accidents, hazardous materials incidents, and many other emergencies.

Committing to serve as a volunteer firefighter or EMR for our community is a serious decision—one that should not be taken lightly. It will require a significant amount of time and effort, and will impose on your personal life, family, and other activities. Please ensure that you understand the level of involvement and time commitment required to participate in our program.

If you believe that you can meet this commitment and are ready to learn our “business” and help the community then we invite you to join us!

Please fill out the forms in the attached packet and return them. Each form must be COMPLETELY filled out for consideration. There is an application checklist in the packet that will help you verify that you have completed each required item.

If you have any questions, please ask and we will be happy to provide you an answer.
